

## **The Alaska Bird Club Policy and Procedure: Newsletter**

**Policy:** The Alaska Bird Club (ABC) will print and distribute a monthly newsletter to provide its membership and the community at large educational information related to the care and husbandry of companion parrots. The ABC will provide funding for printing and mailing distribution of its newsletter.

**Purpose:** The purpose of this policy is to describe the newsletter components, criteria, and conditions for acceptance of articles, information that would be acceptable for inclusion in The ABC newsletter, appropriate advertising parameters for vendors, and distribution/ mail out process.

**Procedure:** All submissions for publication must be submitted to the Newsletter Editor for review by the 15th of the month prior to the month the article is intended to be published. The Newsletter Editor will seek written authorization to publish copyright protected articles/photographs.

The length of submitted articles, event announcements, classified ads, or advertisements must also fit within the space requirements of The ABC Newsletter and not result in the need for increased publishing and postage cost beyond amounts established in The ABC's annual budget. The ABC Newsletter Editor makes these determinations. If the submitter of an article, event announcement, classified ad, or advertisement does not agree with the decision of the Newsletter Editor, the submitter may make a written request for reconsideration by The ABC Board of Directors at the next scheduled ABC Board meeting. The Board will review the request
